Term 3 2026

Project Title	Rugby World Cup Legacy Program Impact Modelling
Background *What is your organisation's business focus?* *What is the background of the problem that has prompted the project?*	NSW Rugby Union's focus is to grow participation, strengthen community rugby, deliver high-quality competitions and pathways, and build a sustainable, unified rugby system across NSW. With the Rugby World Cup being held in Australia from October 2027, NSW Rugby Union is investing in building the capacity and capability throughout the Rugby network whilst removing barriers to participation for a sustainable future. Innovative program development across play, infrastructure, workforce, and connecting with diverse communities will create opportunities, improve experiences, change perceptions and capture interest brought by the Rugby World Cup across 5 pillars: · Pillar 1: Facilities and Equipment · Pillar 2: Priority Regions & Pathways · Pillar 3: Programs & Workforce · Pillar 4: Inclusion · Pillar 5: Rugby World Cup Activation
Project Aims *What does your organisation want delivered from the project?*	To build a framework model to measure the impacts of the Rugby World Cup Legacy Program.
